GRAFFGEL

Graffiti Remover

Description

GRAFFGEL has been especially formulated to remove spray paint, marking pen etc. from stones, concrete, wood, etc. It is a medium viscosity liquid that can be applied on vertical surfaces too.

Application

Spread a coat of pure product on to the surface by means of a brush. Let it stand for 10 min. to 2 hours then rinse with clean water. For best results we suggest to use an high pressure water-jet machine.

Caution

Flammable product. Open the tin carefully. Provide adequate ventilation when used in confined spaces. Avoid sources of heat and flame. Do not expose to direct sunlight. Protect eyes and skin from contact. Do not ingest.

Fortuitous Leakage And Waste Disposal Method

In case material is released or spilled, clean up the most of the product. Absorb all residue with sand, sawdust etc. Store the residue in metal tank and call for a specialized company.

Coverage	: N/A
Storage	: Keep the container closed and store in a cool and dry place.
Shelf Life	: 2 - 3 years in original sealed packing.
Packing	: 1 lt. bottle (12 per carton)

Technical Data

Appearance	: Gel
Colour	: Clear
pH	: N/A
Specific gravity (20°C)	: 0,910 gr./cc
Flashing point (ASTM D 56)	: 46°C
